

# 2016 Road Projects and Road Closures

## Ronald Reagan Parkway Widening Projects:

**CR 200 N – East side of intersection** - Mid May to Mid June - 28 Day Closure

**CR 300 N – complete closure** - Mid June to Mid August - 75 Day Closure

**CR 400 N – complete closure** - Mid July to Mid August - 45 Day Closure

**CR 200 N - West side of intersection** - September – 28 day closure

(please note CR 300 and 400 closures are overlapping)

## Avon Ave:

**Patching and Resurfacing from US 36 to north of Oak Bend** – 50 days to complete. Work to begin April 4<sup>th</sup>

- Work to begin with full depth patching - 3-4 weeks
- Once patching is complete road will be grinded and resurfaced
- Road will be open but there will be lane restrictions throughout construction
- Please use alternate routes to avoid construction if possible.

**Bridge, Rdbt and Trail project – between US 36 and CR 100 S** - September closure

- Closure will last until end of 2017

**625 E and US 36** – Trail construction and road work.

- 30 day closure expected in July/August

## Other:

Town of Plainfield – closing CR 200 S at CR 900 E

- Estimated to begin around June 1<sup>st</sup> – 90 day closure

Town of Brownsburg – Closing CR 300 at 267 to construct a Roundabout

- Estimated to begin March/April – 60 day closure

INDOT – Bridge Deck Overlay - closing single lane of US 36 East and West in front of Town Hall

- Estimated to begin April 1<sup>st</sup>– 120 days restriction

These are tentative closings dates and are subject to change due to weather conditions and Contractor Scheduling.

Please check back or watch for further updates.
