

Here are options for disposing of leaves:

The Town of Avon doesn't provide leaf collection, so residents can either mulch the leaves with a mower, create a composting pile or put the leaves in a paper yard waste bag and take them to one of the yard waste drop off centers in Hendricks County or to Greencycle. There is a charge of \$1 per bag. More information regarding the yard waste centers can be found at [www.hendrickssolidwaste.com](http://www.hendrickssolidwaste.com). For residents that live within the agricultural zoning district, you may burn your leaves.

If you live outside the Town limits, you have the same options as listed including the burning of leaves. Here is a link to an article about burning leaves in Hendricks County:
