SECTION 5 (B) – LUMP SUM PAYMENT METHOD

The Utility may elect to petition the Local Public Agency for payment of relocation expenses by Lump Sum. Such petition shall include Exhibits "A" and "B" along with a detailed explanation requesting payment by lump sum and showing how all individuals will be best served by such payment method.

If a lump sum payment is approved, the Utility shall submit one Contract Invoice no later than ninety (90) days after relocation work is completed. The Local Public Agency shall issue reimbursement within forty-five (45) days after receipt of a valid Contract Invoice. No amount in excess of agreed amount in Exhibit "B" shall be reimbursed.

SECTION VI – COST INCREASES

The Utility may elect to petition the Local Public Agency for payment of its expenses by Lump Sum. Such petition shall include Exhibits "A" and "B" along with a

detailed explanation requesting payment by lump sum and showing how all individuals will be best served by this payment method.

The Local Public Agency may make payment to the utility by lump sum if the total cost for the adjustments, removals, alterations, and/or relocations do not exceed \$25,000.00. Lump sum payments in excess of \$25,000 will be made only if in the best interests of the public in accordance with 23 CFR 645.113(f) and approved by the Federal Highway Administration.

If a lump sum payment is approved, the Utility shall submit one request for payment no later than ninety (90) days after the work is completed. No amount in excess of the agreed amount in Exhibit "B" shall be reimbursed.

SECTION VII - FINAL BILL

The utility shall present its final contract invoice accompanied by an itemized cumulative invoice within ninety (90) days of completion of its work. All documents required to substantiate any claims for payment shall be submitted with this final contract invoice. SECTION VIII - RECORDS

The accounts and records of the Utility and any contractor or subcontractor involved in carrying out the proposed work shall be kept in such manner that they may be readily audited and actual cost determined, and such accounts shall be available for audit by auditors of INDOT, and the Federal Highway Administration for a period of not less than three (3) years from the date final payment has been received by the Utility in accordance with 23 CFR 645.117.

In the event of a dispute with regard to the allowable expenses or any other issue under this Agreement, the Utility shall thereafter continue to maintain the accounts and records until that dispute has been finally decided and the time for all available challenges or appeals of that decision has expired.

Upon completion of the Utility's work, the INDOT's Division of Accounting and Control may audit the Utility's records to determine the cost of relocation. Such audit shall be in accordance with generally accepted auditing standards and the appropriate cost principles as set forth in 48 CFR part 31.

Final payment shall be in accordance with INDOT's resolution of the final audit. If additional money is due the Utility, INDOT shall make payment to the Utility within forty-five (45) days after the audit resolution is approved by INDOT's Division of Accounting and Control. If the audit resolution shows that the Utility has been overpaid, INDOT shall bill the Utility for such overpayment and provide supporting documentation. The Utility shall pay INDOT within forty-five (45) days after receipt of such bill. If the

Utility has not paid such bill within forty-five (45) days, INDOT may offset such amount against claims that the Utility has against INDOT.
