

RESOLUTION 2009-03

Construction Inspector for Non Federal Aid Projects

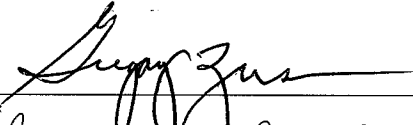

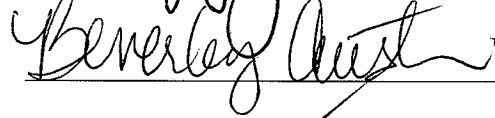

WHEREAS, the Town may require a construction inspector for non federal aid construction projects,

WHEREAS, it is of benefit to the Town to have the construction inspector be from a different firm than the firm that designed the project,

NOW, THEREFORE, be it resolved that that Town Council establishes a policy to have a construction inspector from different firm than the firm that designed the project for non federal aid projects.

Adopted this 23 day of April, 2009.
