

The Town of Avon would like to start a *Community Garden* in the spring of 2011 where residents plant vegetables and flowers in their own plot, similar to the garden in this picture. The *Garden* would be located at the salt barn/park property located behind Ashley Furniture, off of Gable Drive. Plots would be around 15'x20' with aisles in between the plots, and water would be provided for gardeners. Would you be interested in utilizing a community garden? If so, please contact Erin Mulryan at 272-0948, ext 127 or emulryan@avongov.org.
