APPLICATION PROCEDURES
FOR A PLAT AMENDMENT
OR REVISION

DEFINITION: Any revision or amendment to an approved recorded or unrecorded final plat. A revision (not recorded) does not require a public hearing and will be heard in the same manner as a final plat. A map amendment (recorded) does require a public hearing and should follow the same notice requirements as a preliminary plat.

PRELIMINARY APPLICATION: Prior to submitting an application for a plat amendment, the applicant must schedule an appointment with the Plan Commission Staff for a preliminary consultation to discuss the proposed project. The applicant should provide a sketch showing the preliminary details of the project. The applicant’s engineer is also encouraged to attend this meeting. There is no fee for this meeting. A written summary of this preliminary consultation will be provided upon request.

APPLICATION: The application will not be considered complete until all information is received. All applications and supplemental material must be submitted by close of business on the posted schedule deadline and must be completed on Original Town Forms. If the application fails to meet all requirements of a complete submittal, staff reserves the right to deny the request to be placed on the agenda and the case may be continued to the next scheduled meeting. All applications will be reviewed for completeness and accuracy prior to acceptance. The following information is just a portion of the items that must be submitted with the application. Such application shall be submitted on the form included in this packet and is subject to an additional fee by check made payable to Crossroads Engineering.

TAC SUBMITTAL AND REVIEW: The applicant shall be responsible for the submittal of any proposed project within the Town of Avon to members of the Technical Advisory Committee (TAC). A Copy of TAC members and contact information can be found online at avongov.org or provided at Avon Town Hall. The Avon Plan Commission Staff will schedule a technical review meeting, where Town Staff, including the Town’s Engineering consultant, will provide written comments. The petitioner will be given an opportunity to address the concerns and submit revised plans approximately three (3) weeks before the Plan Commission meeting. In the event these issues are not addressed, staff reserves the right to recommend a continuance for the application to be considered at the next available meeting. Copies of the technical review and Staff comments will be made available to the applicant prior to the public hearing.
