8. AFFIDAVIT OF APPLICANT

1. I understand that the review of this permit may take up to 30 days.
2. Work cannot be started before a building permit has been posted and work cannot continue if the building permit has been destroyed, lost, or stolen. A new building permit must be posted.
3. The building permit must be posted on-site in a conspicuous location, visible from the street, and must remain in place during the entire period of construction.
4. The building permit becomes void if construction work has not started with twelve (12) months from the date the permit was issued.
5. If any changes or deviations are made from the original application, a new building permit must be obtained from the Planning and building Department.
6. The undersigned is responsible for the scheduling of all building inspections. The permit number is required to schedule an inspection.
7. **The structure cannot be occupied until all inspections have been made and approved, and a Certificate of Occupancy has been issued by the Building Inspector.**
8. The undersigned owner or agent understands that the approval of this application does not constitute a privilege to violate any applicable governmental ordinances, codes, or laws. In addition, any omission or misrepresentation of fact, with or without intention of the undersigned, or any alteration or change from revocation of any permit issued which was based on the approval of this application.
9. I (we) also understand that the application fee does not include the fees associated with design review and/or construction management review. Fees for design review and/or construction management review are the direct responsibility of the applicant payable directly to the engineering firm (s) specified by the Town at rates set out by various agreements and/or ordinances of the Town, for services, inspections, reports, and the like required by the Town.
