# Race Across Hendricks County

July 23, 2016, 9am - 6pm

**Race Across Hendricks County (RACH)** is "The Amazing Race" Hendricks County style! Each team of two participates in 3 challenges at 4 different county parks. The team completing all required challenges at each park in the shortest amount of time wins! Each park will contain physical and mental challenges. Participants receive a race shirt, bag, buff, lunch, and dinner. (Not to mention individual park awards, division awards, and a grand prize of \$300!)

## What can we expect on a typical RAHC day?

9AM: Start time. You will begin your adventure at one of the four parks across Hendricks County. Your team must choose three of the four challenges as quickly as possible!

CAUTION: There will be "roadblocks" at each park. The unlucky winners of the "roadblock" will be faced with an additional obstacle at that park.

Once you've completed your challenges, hop in your car and head off to the next park on the list. Repeat!

11:30AM - 12:30PM (give or take): All teams will break for lunch.

1:00PM: Complete challenges at the last two parks.

5:00PM: After all challenges are completed, teams will gather at Washington Township Park Pavilion for an awards reception, dinner, and fun!

## What are the challenges like?

They can vary from physical to mental to "stick a cotton ball on your nose with Vaseline and go" types of challenges! And every once in a while we like to combine them to really mix things up!

## Do you need to be a marathon runner to do these challenges?

Absolutely NOT: you don't even have to be a 1 mile runner!

This event is open to **all** residents of Hendricks County and beyond!

You must be at least 14 years old to participate and each team **MUST** have at least one 18 year old on the team.

Visit [Danville Parks and Recreation](#) to register your team.
