### **Sunday - Avon Shows Support by Lighting a Candle in the Sky**

Avon, IN - To conclude a week-long community support campaign and show their support for frontline workers, Avon residents are encouraged to light a candle or luminary outside their home on Sunday, April 26th, beginning at 8:00 pm. In turn, the Town of Avon will join by shining a light up towards the night sky at 8:30 pm. Step outside and look towards Avon Town Hall Park to see the light. It is estimated that Avon residents will be able to see the light up to three miles away if weather conditions are favorable.

The Town of Avon thanks all the frontline workers for their service.
